

Time Travelling in Salford

Whilst you're exploring the Salford Literacy Trail, use your imagination to think about what Salford could look like in the future!

salfordliteracytrail.org.uk

#SalfordBookBenches

Imagine that you meet someone with a time machine who can take you forward in time – this might be a year, a century or even millennia in the future!

Tell a friend or family member about Salford's future using the postcard below.

Here are some ideas to get you started...

What is the technology like? How do people explore and travel around the city?

What does the city look like and what buildings are there? For example, can you imagine Ordshall Hall, Salford Museum and Art Gallery, The Lowry Theatre or RHS Garden Bridgewater... Have they changed?

What do people do for their wellbeing and happiness?
